Re: *United States v. Carollo, et al., 10 Cr. 654 (HB) (S.D.N.Y.)*  
Requests for Trial Exhibits in *United States v. Carollo*

Dear Judge Baer:

The Government respectfully writes to notify the Court that it has received a request from Counsel to the Democratic Caucus of the Ohio House of Representatives for copies of the Government's trial exhibits from *United States v. Carollo*. The Government notes that these materials became part of the public record during the *Carollo* trial, which concluded on May 11, 2012.

Since the *Carollo* trial concluded, the Government has received several requests from the media, for which the Court has approved disclosure of trial exhibits. The Government anticipates that it may receive additional requests in the coming weeks. The Government respectfully requests that the Court authorize it to provide copies of the Government exhibits to Counsel for the Democratic Caucus, and to individuals or entities making similar requests, including the media. The Government respectfully submits that this request is appropriate, given the public nature of the trial record.

By copy of this letter, we are notifying defense counsel of this request. The Government is prepared to provide any additional information should the Court so desire.

Respectfully submitted,

ANTONIA R. HILL  
Trial Attorney  
Antitrust Division
